Although we are open from 6am-6pm, our tutoring times will be from 8:00 – 13:00 afterwards the tutor will be able to give one on one attention for the students that require more assistance.

Although no homework will be sent home the student will be responsible for their own speeches and tasks to be handed in on time.

We only close over December with the public schools and reopen the first Monday in January

Please note that tutoring fees for November and December will remain R2200

Registration fee: R500

If parents feel that the tutoring centre is not for their child, they are welcome to move them to any other school, one calendar months' notice is required.

Parents are responsible for handing in their registration forms and payments to be made to IMPAK directly

Please note the amount of R2200.00 needs to be paid into CONQUEROR'S bank account and not to IMPAK
