## Our Vision

To conquer the world, one child at a time in a safe and positive environment, by preparing each child for their own successful future.

## Our Mission

To create and move towards the future we need to constantly remind ourselves of the fact that we are working with the soul, heart, mind and future of a child. Without our own core-values no vision can become a reality. By following and establishing and educating our students, we as part of the Conquerors family need to eat, drink, live and stay true to what we as a Conquering family believes.

## Our Values

- C** - By **CARING** we can help everyone around us feel loved
- O** - We encourage **OUTSIDE PLAY** by offering 4 large separated outside play areas
- N** - We aim to **NURTURE** every little one as if they were our own
- Q** - We use **QUALITY** learning through playful techniques
- U** - By allowing every child to grow and development in their own **UNIQUE** way
- E** - By **EMPOWERING** our little ones to dream big and be whatever they want to be
- R** - By showing our little ones that **RESPONSIBILITIES** are necessary and can be fun too
- O** - By creating **OPPORTUNITIES** to make lifelong memories
- R** - To **RESPECT** ourselves, our parents, our teachers, and our friends
- S** - We believe in **SECOND CHANCES** – it's okay to make mistakes if we learn from them
