Curriculum

3 months – Grade RR

Every class follows a fun, active, educational curriculum each day which is in correspondence with the theme of the week. Curriculum consists of 3 structured activities: work sheets, practical activity, and creative exploration, with plenty of time for free play learning, outside play, stories, music, and songs. An informal evaluation is sent home termly.

Menu

School fees include all meals such as breakfast which is usually porridge or oats, a morning snack consisting of fruit, a cooked lunch, and an afternoon snack consisting of biscuits or popcorn etc. Children are welcome to bring their own lunch boxes or an additional snack.

Please notify us if your child has any allergies.

Clothing

Please send your little ones to school in casual, comfortable clothing. We encourage our kids to be active and would like them to be able to move about freely.

Remember that kids will be kids, so we ask that all clothing be marked with the child's name and surname.

Extra mural activities

We offer a wide range of extra mural activities which are not included in school fees.

Please enquire at the office which extra mural activities are offered this year.

All these activities are presented by professional organizations during school hours, either outside on our field if weather allows, or inside in our own hall.

Annual functions

We are proud to say that we are one of the few nursery schools which have their own hall as well as outside arena. We have an annual concert at the end of the year for all the classes ages 2 and up.

Holidays

We are open throughout the year with only one school holiday break in December.

We do close on public holidays, but enough notice is given in advance to remind the parents of the dates.
