**Events and fun days at school are crucial in helping the school raise funds to provide a safe and fun learning environment for all our little ones. Therefore, payment requests are expected to be paid should you want your little one to participate in any of our year events or fun days.**

**We appreciate that in some circumstances payment may prove to be difficult and we encourage you as parent to reach out to us and we will look at ways that we may be able to accommodate you.**

**After all we would like all our little ones to participate in any of our events as this helps build character and friendships and strengthen relationships between friends and teachers.**

**However, if parents were not able to approach the office with concerns about these events and their related costs regretfully participation may be refused, and this may lead to little ones being excluded which is not what we want. We then will be taking it as you don't want your little one to participate in the event or fun day.**
